PRAYER AND PRAISES

- Pray for clear direction for the board concerning "THE VISION FOR THE VALLEY". We are anticipating an exciting future with God's direction.
- Pray for the abortion minded and vulnerable.
- Pray that Roe vs. Wade would be overturned.
- Pray for three male advocates attending a conference March 4-6
- We are excited to add a Second Banquet in the Valley.

It is with deep sadness that we share that

Ron Dewing

entered into the presence of his Savior and Lord Jesus Christ on Jan 19, 2022

Ron was a board member, advocate for the men's classes, and our handyman. He was always ready to help and travel to any center that needed him.

We ask for prayers for his wife Georgie, receptionist at the Towanda center, his daughters Ellen, Beth, and Patti, all who have or are volunteering with EMPCCC.

He and his partner came to First Look for an ultrasound. He said, "It wasn't supposed to be this way."

- It was too early in their relationship.
- He was thinking abortion.
- Then—they saw the heartbeat during the ultrasound.

Another Pregnancy Center reached out: "A client came to us by "accident". She thought she was going to the abortion center. She's from your area. If she agrees, can we get her in for an ultrasound?"

As we pray for Roe vs. Wade to be over-turned, unplanned pregnancies will continue. Pray we and the church are ready to receive each one.

EMPCC HAPPENINGS

EMPCC WELCOMES NEW BOARD MEMBER: Pastor Scott Ross

I was born and raised in Rome, PA and graduated from Northeast Bradford High School. After graduation, I started going to nursing school at Robert Packer Hospital School of Nursing but dropped out after my first year, unsure of what I was supposed to be doing. After getting married and having children, I found the jobs I was working were not going to be enough to provide for my family so I went back to nursing school, finishing at Arnot Ogden Medical Center School of Nursing in Elmira, NY. That started a 25+ year career as a registered nurse. My family and I spent 10 years out of the area traveling. We eventually moved back home and now reside in Rome, PA. It was after moving back home that God changed the direction of my life. I am no longer working in nursing but am the full time pastor of Windham Summit Bible Church. I have been married 35 years this year and have 6 children and 15 grandchildren with more on the way!

I had heard of the EMPCC but did not know much about them until last year when I attended the banquet in the Valley. It was there that God showed me He was indeed interested in this ministry and the work they do. My wife Doreen and I have been involved with children our entire adult lives, first our own children and now our grandchildren. We value life and I knew I wanted to be involved with the EMPCC ministry. It is a good fit with my nursing background and now ministerial career. I am excited and looking forward to what God is going to do.

Volunteer Spotlight

PEGGY HORNING

It was through Crystal Salsman that I was able to become a volunteer and be part of the prison ministry. I am so thankful that God opened up this opportunity for me. It is such a blessing to be able to share the love of Jesus with these women.

“but He said to them, I must preach the kingdom of God to them, because that is why I was sent.” Luke 4:43
