Ripples

This year's theme is Ripples. You are helping us drop pebbles into people's lives, causing a ripple effect in them physically and emotionally, but most importantly, spiritually.

Client Testimonies from the Jail Ministry

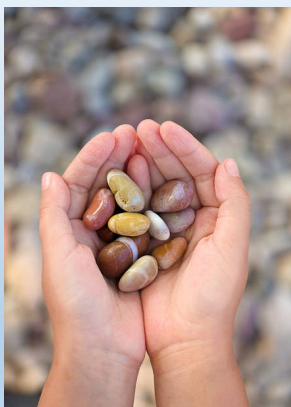

We received permission to show Dr. Jeremiah's Christmas movie, "Why the Nativity" in the ladies class at the jail. A young lady attending the class had never heard that Christmas was about Jesus being born. Thank you for giving us the opportunity to drop a pebble into her life as we were able to share the gospel and the true meaning of Christmas. Pray for the ripples of this to impact her life spiritually.

In February, the ladies introduced themselves before class began, as there were new inmates attending the parenting class. One of the inmates shared, "The Pregnancy Care Center! Seven years ago I wanted to have an abortion, but because of your ministry, I now have a 7 year old daughter." To God be the Glory. We often don't know the results of the pebbles we drop in people's lives, but because of your prayers and financial giving, this pebble changed TWO lives.

The Athens Education Center opened on March 25th

Please continue to pray with us as we have opportunity to drop pebbles of encouragement, education, and hope into the lives of our clients at this new location.
